Geez! Wake up already, Syogo-Onii-chan!

If you don't wake up quickly, you'll be late for school!

HOW LONG DO YOU PLAN TO SLEEP IN UNTIL? IDIOT BROTHER!

うわあああああああ

Alright...

Then what's with those little sister-like imperson-ations...

I see.

In other words, I'm being trained in order to recognize the appeal of women...

However, I think that's much better than only being able to love guys though!

やだも〜っ

Oh you... Syogo-san wanted a little sister that bad, huh!

This!

Anyways, how did you two get into my room in the first place?!

How is that in any way okay...?!

I think it's okay to say that we will be your sworn little sisters instead!

Since we're not really your little sisters,

"Why..."

Well I'm helping you change your clothes...

Konoe... is already an ***adult,*** you know...

Syogo-
Onii-chan...

Wait wait..!

Why are you unbutton-ing me..?!

You need to calm down!

Although now, it's my turn to talk about how I'll be Syogo-san's little sister!

NO NO NO

Noooo way! Uh uh! Absolutely not!!

t's why, ease... et Konoe help you...

You just don't get it, do you, Tsuruma-san?

You can't expect to find any siblings nowadays where they'll help change another's clothes!

SYO-NII!! YOU THREW YOUR TRUNKS IN A PLACE LIKE THIS AGAIN!

Well for example...

That Miyabi... surprisingly knows quite a lot about reality, doesn't she...?

Brothers nowadays should experience the appeal of a little sister that portray a more realistic nature.

FINE! I SHALL WASH IT FOR YOU THEN!

That's the one I placed in the laundry basket last night...

DON'T MISUNDER-STAND!

I'M ONLY WASHING IT BECAUSE YOUR HOUSE WILL GET SMELLY!

Well that's because you totally lack delicacy..!

Well I can't say that I don't feel the atmosphere of us living together as a family, now can I...

...But sorry, Syo-niii...

Actually, my panties haven't dried after getting out of the bath yesterday, so...

...Syo-niii's trunks were very warm...

...Love, I think..?

This is...

※ Imaginary Scene

I closed the windows too, and I'll be sure to double-check carefully every single night.

ガチャ

There! I locked the door.

Note: He means he'll double-check for the presence of those two, not about the door and windows being secured.

GET OUT OF MY ROOM..!!

I'VE HAD IT ALREADY WITH YOU TWO!

Just what is happening with my privacy...

Ehh..!

That's why, the two of you better stop trespassing whenever you feel like it.

...I cannot believe you've forgotten!

Syogo-Onii-chan...

Our goodbye kiss!

Well I'm a fantasy-like little sister, therefore...

It's natural for it to be visualized like this.

WAIT A SEC, TSURUMA-SAN! ISN'T IT AWKWARD FOR SIBLINGS TO DO STUFF LIKE THAT?!

Eh..?

ひゃう～

AND THAT'S WHY I GO FIRST, SYO-NII!

GIVE ME MY MORNING CHUU FIRST!

213 2 A

Syo-niii!!

Syogo-Onii-chan!

...My head hurts...

I woke up early today to prepare some dried food condiments...

...for Syo-nii to sprinkle onto his bentou!

We should eat our lunch together today also, huh!

カリ!!!

しばら

Hey Ikusu. Can't you do anything about this?

I WON'T HAND YOU SYOGO-ONII-CHAN!

DON'T DO IT, SYO-NII!

IF YOU MAKE EYE CONTACT WITH MIZUTANI-KUN, YOU'LL GET PREGNANT!

" She literally says that. I have no idea what she is talking about. "

That's why I'm begging you not to say things that would get me misunderstood..!

I've had the honour of being forced to witness these circumstances for a long while now...

And to think that if you would just obediently marry me, every-thing would be settled...

Okay, let's go to the cafeteria now!

Today, I made a special request for the hidden menu's ***"Garlic-flavoured, steam-cooked soft-shelled turtle"*** to be made just for you!

And you'd better put a bunch of my personally made...

"...Special pit viper and sun-dried scorpion condiments" on it also!

Sayori: They're trying to kill him...

Why do I get the feeling that I won't be allowed to sleep tonight...

I thank the both of you for worrying about me...

WHAT'S WRONG, SYO-NII?

What the hell... This non-stop infatuation sensation coming from you girls...

WE NEED TO TAKE CARE OF YOU ALL THE TIME!

...BUT WHAT THE HELL IS WITH FEEDING ME THIS TURTLE, VIPER, SCORPION CRAP?!

W-Well I'm going back to my house to sleep now, so let's meet up tomorrow at school or something..!

What are you talking about now, Syo-niii..?

We'll be staying at Syo-nii's house tonight!

Syo-niii's getting angry...

Please forgive us...

Okay?

...THEN NEITHER OF THEM ARE MY LITTLE SISTER!

If I get a call from my "little sister" while these two spend the night with me...

No, wait... Isn't this... a chance?

Until now, all these calls from my "little sister" were at night..

These nights of silent fighting between this little sister and I

THIS WILL BE A GAMBLE... NO, A BATTLE!!

I guess there's no choice then, is there..? Alright, I guess tonight will be special then, hm..?

How perfect...

...Tsuruma-san's breasts have such a nice shape...

And Kannagi-san... Your butt is just as tight and tense, isn't it!

Guys only look at peoples' chests, you know..!

Hmph.

I'm going to rub them..!

Here! Here!!

Ahh..!

Please stop..!! I'm feeling it..!!

Those two are definitely doing this on purpose...

Dammit.. If I could just get a call from my "little sister" now

Syo-niii!

The shower sensation was great!

It's too bad that I wanted Syogo-Onii-chan to join in with us too...

むっ

SYOGO-ONII-CHAN!

WE'RE SIBLINGS, SO WE NEED TO SLEEP TOGETHER!!

I've decided to sleep on a mat laid in the kitchen.

You two can go ahead and sleep wherever you like, whether it be the living room or bed.

W-W-W-

What are you doing, Konoe..?!

Well if it's this hot...

Maybe I should just take off my pajamas, hmm..?

Me too, you know!

I thought it was a little too hot also!

Wow, I'm really sweating a lot... Must be hot...

Hey, This is Syo-niii! what it means to be a girl, right?

Well both of you have a fairly b-beautiful body!...

However, o-of course, with the whole little sister feeling, I don't feel attracted to you g-girls at all...

ぱたぱた

No... I must resist the temptation...

THAT'S WHAT I'M SAYING..! I DON'T EVEN LIKE GUYS IN THE FIRST PLACE...

It's not that you can't like anybody but guys...

It's more that I want you to learn how to truly love girls.

I get that! Syo-niii... No, Syogo...

Well I... I want to be true with Syogo.

I'll do my best too, you know...

-Syogo- san...

Until Syogo-san awakens...

...to the appeal of girls...

EVERY NIGHT?!

...It's okay not to be flustered, you know!

Me too! For day and night each day.

I'll be like this just for Syogo!

—From here on, we'll show the appeal of girls to Syogo-san by being like this every night, so...

BUT EITHER OF THESE TWO COULD BE THE LITTLE SISTER OF MINE WHO SHARES MY BLOOD...

THIS IS LITTLE SISTER HELL! LITTLE SISTER TORTURE!!

Where are you?

Does she seriously plan to stay over today also..?

If she does that again, I'll seriously die this time...

SYOGO-ONII-CHAN!!

SYO-NII! STOP RUNNING!!

がら

And what business do you have, being in the student council room?

Whaaaat..? You're stuck in a looove triangle..?

Syogo-kun's so poooppular

We of the student council have no intention on being involved in any way with individual love affairs

I know that.

It's fine if you can just let me hide here until those two give up and go away.

Well, since we're not really busy this month, I don't mind if you want to stay inside the student council room, but...

Honestly

Just where did that Mikadono senpai who was barraged by the female run off to during the dance party

And that time, I felt that Mikadono-senpai was a person I could truly depend upon too...

Can't you be a little more gentle towards women?

Either of them could be the little sister of mine who shares my [illegible] so

These two

Well for example...

...If there is a girl that I absolutely cannot fall in love with due to a specific reason I have

[illegible] don't help but to fall in [illegible] appealing [illegible]

[illegible] wondering [illegible]

In this world, there are other emotions apart from just "like" and "hate," you know...

Syogo-kun...

So you mean it's alright to be confused?

The world can be very confusing, you know...

There are also other cases like "I don't exactly like or hate you", or "even though I like you, I hate you also!"

So it's okay to be confused...

It's okay not to be sure.

She's probably my little sister. Or maybe she really isn't...

No matter what happens, there isn't a reason to need to be sure!

Yup!

It seems there isn't a need for to let me hide here after all.

I'm sorry for suddenly barging in.

I... have a feeling that I may have rushed my response a bit too quickly.

Tendou-kaichou's words made me realize this.

Tendou-kaichou! Kunitachi-san!

Why did I...

...Why did I jump to such a response so quickly?!

But still, with that sort of confusing situation!

...Couldn't it be possible for us to just continue on being good friends?

Konoe and Miyabi too... Since they probably aren't my "little sister," I'm probably making a mistake.

If I only run, I won't ever find out if either of those girls was my "little sister" now will I?

That's right, I should go and face them more properly

Okay, excuse me...

生徒会室

がらら

KONOE..!

That...

I...

...Did I make Miyabi cry...?

Miyabi...?

...And this is the situation it's coming down to.

I caused something like this by running away all by myself and now I'm faced with the consequences.

Didn't I vow not to hurt them?

I NEED TO APOLOGIZE TO KONOE AND MIYABI!!

Not here...

Miyabi. You're going home now?

No way... I thought I heard a voice coming from Syogo.

A-Ahh... Of course I would be angry

You saw my sleeping face when you suddenly barged into my house yesterday morning without asking...

Syogo isn't angry? With me... and Konoe...

The two of us had thought, *"We should make Syogo understand that we're such appealing girls!"* at the start.

Sorry.

however, for some reason we ended up gradually competing against each other

Miyabi...

I thought that if I were to lose at this point...

...I had a feeling that Syogo might be taken from me, so I couldn't hold myself back...

It's not that I hate Miyabi or Konoe...

I'm also sorry for running away and stuff.

You're both... ...important classmates of mine!

So is Miyabi returning straight home?

I'm going to visit the shopping district for today!

To buy things for the swimming club!

Maybe I could be your baggage carrier then?

On a side note, where's Konoe?

I thought she would've been together with Miyabi, but..

I heard she has a job to do being a class committee member.

It seems like Kotori-sensei requested it.

Hello...

Was the phone call just now really from my little sister?

What do you mean by this time... "This time..."

Private number? Prank call?

Whose grudge did you provoke this time?

Who is it from?

That way, I'll be able to wake you up every morning!

!?

Please don't hurt me...

TELL ME YOUR PHONE NUMBER!!

OH YEAH!

But is it really okay for me to believe that Miyabi isn't my little sister?

I didn't know she was my little sister, right

SPORTS

You can swim in the academy's pool anytime all year!

It's still only April. Is there really a need to prepare a swimsuit?

I think I'll seriously consider aiming for that prefectural tourney this year!

I would probably expect her to say "If you tell me to choose the school swimsuit, you're definitely an enemy of all girls!" Yeah

Heyyy, Syogo.

This swimsuit... A *Kyoasu Company* product, right...

Which one is better? A race swimsuit or a school swimsuit?

HURRY! OVER HERE!!

If I became the company president, they will be a major competitor I'll need to compete against, huh...

You can't expect to go back soaking wet,-right?

Hurry up and wash yourself in the shower!

Note: Refer to Section 13 for the Grand Berrion. Also, Ganizeus and whatnot are also make-believe. On this page, Syogo notices the soap dispenser in Miyabi's bathroom, but thinks it's too much of a coincidence for her to own such a thing.

Oh... what..?

I know about this mysterious being.

I was pretty sure... ***Ganizeus***, a member of the ***Four Paper Mulberry Men***...

The mysterious being that had fought against the remodeled Grand Berrion

I'll let you warm my cold body! Syogo! Let's shower together!

So that call was completely unrelated, wasn't it...

No way. So the true identity of my little sister is Miya... bi

I... want to be together with Syogo. Since I've been waiting...

We can't do things like that... Miyabi... You are my...

IT HAS ALWAYS BEEN SYOGO!

So the little sister of mine who shares my blood was...

HAVEN'T I DECIDED ALREADY?! IT'S YOU SYOGO!

Miyabi. Can I ask a question?

If she's just your usual only-met-for-10-days classmate

So is Miyabi my little sister...?

Who is it you want to marry?

I expect her to not understand this question.

...KANNAGI MIYABI!!

Miyabi...

I'm happy you have those feelings

Why..?!

Well aren't we family..? Siblings..?

Our relation shouldn't need to reach any further than it already has...

However...

...I can't marry you.

Miyabi...

I'll see you at school tomorrow then...

What the... That...

Miyab-

GET OUT! OUT!

SYOGO, GET OUT! NOW!!

GET THE HELL OUT !!!

Well it's because Syogo said that he couldn't marry me, so I just suddenly...

That's why I think you went a little overboard when you embraced me...!

Since long ago, it has been a secret dream of mine to marry my older brother, so...

E-Erm...

I'm sorry for yelling and forcing you out...

Well I was bad too...

The Next Day

Yo!

Miyabi, morning!

I don't really want my older brother to be a pervert...

HM..?

I was preparing to tell you, but... If I were your real sibling, then I know I wouldn't be able to marry you!

Syogo?

The "little sister" who called through the phone wanted to marry me so badly!

Y-You're really... my little sister... right..?

I'm sorry for keeping it a secret until now...

I really am Syo-niii's little sister!

Konoe...^

KONOE
...!!

WHAT'S GOTTEN INTO KONOE-CHAN?!

SYOGO-KUN!!

2A

And that day, I couldn't see Konoe's presence at all during class.

According to Kotori-sensei, she said that her physical condition worsened and she had to leave early.

Rather, what's gotten into you, Tendou-Kaichou?

I heard that she left early today, but...

Well say...

Earlier, I found this placed on Kotori-sensei's desk..!

僕はもっつん*先生のコミック原稿を拝読すると、
いつも、すでに話を知っているにもかかわらず
「面白い!」と思わされてしまいます。
というのも、心乃枝たちヒロインは表情豊かでかわいらしく
(しかもときには、あんな格好までしっかり描かれていたり!)、
将悟は女の子に振り回されながらもカッコよく、
彼らの魅力が再確認できるようで、
読んでいてつい顔がニヤけてしまうのです。
また、毎回やや複雑な原作の構成や各要素をうまく拾ってくださり、
頭が下がる思いです。
